

PA500

Purifier

PA500 - Ion purifier with Hepa1 filter

Purifier equipped with combined filter HEPA1 composed of:

Active carbon pre-filter to remove smell and cigarette smoke.
HEPA filter to purify the air from the smallest particles such as pollen, mites, spores and bacteria.

This combination ensures high filtration and purification capacity up to **99,97%**.

The IONIZER releases negative ions ensuring a natural air purification from harmful elements.

A pleasant "breeze" of clean air will be perceived by getting close to it.

Two running modes available to be selected, day mode or night mode to minimize the noise.

Ideal for: kids room - bedrooms - single offices

Tech specs.

Dimension	250 x 130 x 330 mm
Weight	1,5 Kg
Ratings data	220 - 240 V~ - 50 Hz
Power consumption	25 W
Ionizing voltage	5 KV
Max air inlet	42 m ³ /h
Max environment volume	55 m ³
Filter lifetime	2000 h
